NOTICE.

No advertisements received for insertion in the next issue of our paper, after 3 o'clock, P. M.

The General Assembly adjourned, to meet again according to law, on Saturday last, having been in session eleven weeks being the longest term since the settlement of the State. Col. William W. Brown, of the Providence Light Infantry, was elected Major General, in place of Ambrose E. Burnside, resigned. John Gould, of Middletown, was elected Brigadier General of the first Brigade. After the election of Major General, Joseph S. Pitman, Brigadier General of the Second Brigade, resigned. The Assembly made an appropriation to alter the State House in this city. The Senate Chamber is to be enlarged by taking in the lobby, and a stair-way is to be made in the North East corner of the Representatives Hall; this will be a great convenience for the Court and lawyers, as they can pass in an out without being compelled to work their way through a dense crowd of spectators as heretofore.

We stepped into the ware rooms of Messrs. Hazard on Church street, yesterday, with the crowd, to see a set of rose wood furniture just completed in the best style of these elegant workmen. We are sure that even the Aquidneck House will be adorned by the fine taste therein displayed both by the purchasers and the makers.

Friday next is the last day for paying Registry Taxes as a qualification for voting at the approaching State election. The Collector may be found at his desk in the City Clerks office every afternoon until the time expires.

Benjamin F. Robinson, the Government agent for the Delaware Indians in Kansas, has arrived in Washington. At the conclusion of the sales he placed the whole sum realized, (in specie) \$467,000, in two horse wagons, and with a guard of some ten Delaware and white men journeyed to St. Louis, where he deposited the whole sum, without the loss of a dollar, in the sub-Treasury.

The Machias (Me.) Union states that an Irish pedler, from Eastport, was killed and eaten by wolves, a short time since, in the woods beyond Cooper and Alexander.

The St. Paul Times says that a treaty has just been concluded between the Chippewas and Sioux—two Minnesota tribes—that have been fighting from time immemorial.

We learn that Rev. Mr. Malcom had presented to him recently, by the Sewing Society of his Church, a very massive and elegant silver urn.

Perouk Khan, the Persian Ambassador, who is now at Paris, is said to speak, read and write fluently all the Semitic dialects with the exception of Hebrew. There is a rich story quietly going the rounds that all the professors of Eastern languages in Paris, of whom there are about half a dozen, have been, by a strange coincidence, confined to their rooms by colds ever since this learned Khan arrived there.

The Secretary of the Navy has directed a Board of Engineers of the United States Navy to meet at Philadelphia, on the 20th of April proximo, for the examination of candidates for admission into that Branch of the service and Assistant Engineers for promotion. This Board is to consist of the following Chief Engineers: Wm. R. Williamson, Joshua Follansbee, and Samuel Archbold.

The Swanton (Vt.) Journal says that Louisa Parker, thirty-one years of age, a resident of Belvidere Vt., cut her throat on Friday of last week. The cause of the rash act is unknown, as the girl had always been a very pious and exemplary girl, and was at the time of her committing the act, a member of M. E. Church.

the steamship Alps from Liverpool, arrived at Boston on the 20th. The most important intelligence by the arrival is the defeat of the Parliament Cabinet, on Chinese affairs, and the signing of the treaty with Persia. This transpired on the 3d of March, at Paris.

WASHINGTON, March 20. A large delegation from Maryland had an interview with the President this morning relative to the appointments for that State. At their caucus last night it was agreed to recommend Judge J. T. Mason for Collector, though it is understood the President had previously designated him for that office. The delegation are agreed to the rotation policy.

Wm. R. Drunkard of Virginia, has been appointed chief clerk of the War Department.

WASHINGTON, March 21. FROM WASHINGTON.—The Cabinet had under consideration to-day the Dallas Clarendon treaty, and approved it in the form amended by the Senate. It will be conveyed to our minister at the Court of St. James by Alexander H. Evans, of Washington, who, of special messenger, will leave Boston for Europe on Wednesday next, and return to this country after visiting London, Paris, &c.

The resignation of Gov. Geary was not received here until to-day. The intimation, however, of his determination to resign was sent hither some days ago by telegraph. The Governor was not here last night as reported. His resignation has not yet been acted upon, though it will be accepted. No successor has been designated as yet.

The principal California appointments are as follows: Col. B. F. Washington, Collector at San Francisco, Frank Gifford, Naval Officer, Wm. B. Cameron, Surveyor, Major Solomon, Marshal for the Northern District. Mr. Elder is to succeed Mr. Foreman as Postmaster at Sacramento, and Mr. Lester, is to be Collector at Stockton, vice Scofield. Chas. H. Winder has been appointed Judge Advocate of the Naval Court of Inquiry, vice Mr. Carlisle, resigned. The office is worth about twenty dollars a day.

The Governor, Mr. Gorman, resigned, and was not removed as Governor of Minnesota. He will remain in the territory and be a member of the constitutional convention to meet at St. Paul in July.

Ex-Governor Bigler of California is appointed minister at Chili, vice Mr. Starkweather. [Correspondence of the Herald.] The administration have received nothing and do not place any reliance in the rumor that Mr. Munster, Mr. Bowlin, and Mr. Morse had demanded their passports from the New Granadian Government.

Gov. Geary arrived here this morning. Official notice was received to-day of his resignation and it was accepted. The appointment of a new Governor was before the Cabinet to-day. There are many persons spoken of in connection with this office. Sam. Black, of Pennsylvania, will not get the appointment.

John Bigler of California, was to-day appointed Minister to Chili.

TRENTON, N. J., March 21. NEW JERSEY.—The jury in the United States Court came in this morning with a verdict of guilty against four of the crew of the ship New York. John Devin was sentenced to three years imprisonment in the State Prison, and Rogers, Thompson and Blake two years each.

The State Legislature adjourned sine die at 11 o'clock this morning.

PITTSBURG, March 21. THE BANK OF NEWCASTLE.—The Bank of Newcastle, the credit of which has been impaired for some weeks, has finally stopped payment. The amount of coin in the Bank yesterday to redeem notes amounting to over \$100,000, was just \$4.—The cashier, Mr. Waggonseller, it is said, has absconded with \$50,000. The directors of the bank are all men of respectability, and have been most sadly duped by the cashier, who was a fast-liver and deeply engaged in eastern speculations. Large sums belonging to the bank was recklessly loaned to corporations, much of which will be lost. Among others, \$20,000 to the Gammerby Band of Indiana.

HONESDALE, Pa., March 21. GOV. GEARY.—The confirmation of Gov. Geary's resignation is received, with the appointment of a Southern pro-slavery man in his place. The Democracy have placed their flag with the Buchanan steamer attached at half-mast.

SANDY HOOK, March 20 11 p. m. As yet we have no news of the steamer Africa, now overdue at this port.

A NOTED MAIL CARRIER.—A Washington correspondent of the Boston Traveler gives the following description of one of the attaches of the National Intelligence office:

"Speaking of the Intelligence reminds me of one of the attaches of that office. He is a very large, very sagacious, very old and very self important Newfoundland dog.—Like everything about the office, he bears not only an appearance of extreme solidity, and great good nature, but also an ability and determination to maintain his privileges and rights. Since I have known him it has been his custom to go to the Post Office every morning with the mail bag. This morning, as I returned, I met him; he occupied the narrow foot-path, and picked his way along daintily. The snow on either side was about four feet deep. One must turn out, and rather expect to take precedence over his dogship. But not an inch would he yield; and when I attempted to push him off into the snow, he very good-naturedly turned the tables by placing his paws on my shoulders and prepossessing me headlong into the snow-bank, and then quietly passing over my body. I recovered my equilibrium in time to see several others who had laughed at my fall, take warning by my fate, and accord the way to the old fellow passed on as quietly as ever."

On the night of the 5th inst., in Fayette county, Pennsylvania, a screaming was heard in the direction of the Cumulac Falls of the Youghiogheny, a short distance below "Falls City." On Tuesday morning a bonnet and handkerchief were found below the falls, and the supposition is that an unfortunate female had committed self-destruction, to be found thrown over the falls by violent hands.

THE PRINCE OF WALES.—A friendly suit is about to be instituted in England, before a referee, to settle a dispute which has arisen as to the disposal of the revenues of the fisheries on the coast of Cornwall, from which coasts the Prince of Wales has, as such, for centuries, received a large income. A London paper says: "Some idea of the difficulties which will attend the solution of this knotty point may be formed from the fact, that the documents which are to be investigated, extend as far back as 300 years before the birth of Christ." The decision of the referee, (Sir John Patterson) it has been agreed, shall be final.

A destructive fire occurred at Davenport, Iowa, according to the Democrat, on Friday, the 6th inst., by which two stores were consumed, and a loss of \$9,000 worth of merchandise accrued. The stores were owned by a Mr. Myers and W. W. Parker.

Mrs. Bocoek, of Blackheath, England, the mother of three generations of lively stable keepers, was driven through the village on her hundredth birthday, in a chariot drawn by eight horses, with out-riders.—She afterwards presided at a dinner, and opened a ball in the evening given to honor her.

The Postmaster General's recommendation for an additional appropriation of \$100,000, making in all \$150,000, for the enlargement of the Pennsylvania Bank, passed the Senate and House on the 4th.

John H. Griffin, Esq., of Jackson county, Georgia, slaughtered a hog weighing 687 1-2 pounds. A negro who had fed the animal got so drunk in rejoicing that he died in a fit.

A company of about forty men, women and children, passed through Syracuse on the morning train on Friday last, on their way from New Hampshire to Kansas. The party intend to settle at Zeandale, about 65 miles from Lawrence. Among the number were ten married men and their wives, fifteen single men, three young ladies and six children.

THE FIRST TWENTY YEARS.—Live as you may, the first twenty years form the greater part of your life. They appear so when they are passing; they seem to have been so when we look back to them; and they take up more room in our memory than all the years which succeed them.

If this be so, how important that they should be passed in planting good principles, cultivating good tastes, strengthening good habits, and feeling all those pleasures which lay up bitterness and sorrow for time to come! Take good care of the first twenty years of your life, and you may hope that the last twenty will take care of you.

A CARD TO THE LADIES.

DR. DUPONCE'S Golden Periodical Pills for Females. Perfectly harmless, yet wonderfully and powerfully efficacious in correcting, regulating, and removing all obstructions from whatever cause.

All medical men know, as well as many others, that no female can enjoy good health, unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health begins immediately to decline, and the worst of such a remedy has been the cause of so many complaints among young females. Headache, Pain in the side, Palpitation of the Heart, Loathing of Food, and Disturbed Sleep, do most always arise from the existence of a preventive. Price \$1.00 per box. For sale by HAZARD & CASWELL, 12 Washington Square, and 137 Thames-st.

They will supply the trade at manufacturer's prices. Ladies, by enclosing \$1.00 to STUBBS & CO., Box 24 Newport Post Office, can have the Pills sent (confidentially) by mail to any part of the city or country.

ANOTHER TRIUMPH OF THE
Defiance Salamander Safes!!!
New York, Nov. 4th, 1886.

MR. ROBT. M. PATRICK, 192 Pearl-st.
DEAR SIR:—The Defiance Safe, No. 5,778, purchased from you about eighteen months since, was in my house at Newport, R. I., which, with the furniture, was entirely destroyed by fire on the night of the 5th of June last. The safe, after being exposed to an intense heat for many hours, was recovered on the 10th of June. Not having the necessary tools at hand to open it, the same has stood just as when recovered, until shipped to your address, Nov. 1st. When opened at your store this morning, I was agreeably surprised, as were also others present, to find the contents, consisting of valuable papers, plate, &c., in as perfect order as when placed therein. It is with pleasure I add my testimony to the merits of the Safes of your manufacture. Yours, Respectfully,
DANIEL PARKER.

A GREAT REMEDY FOR
FEVER, DIARRHEA, HEADACHE, BOWEL COMPLAINTS, PAIN IN THE STOMACH, COSTIVENESS, JAUNDICE, LIVER COMPLAINT AND ALL BILIOUS DIFFICULTIES.

THIS MEDICINE, by the uniform testimony of a great number of intelligent and perfectly credible certificates, is proved to be

Many persons suffer from JAUNDICE—many have an excess of BILIOUS ACTION in the Spring of the Year—and are debilitated in consequence. For all this class of diseases this is a Sorecer's Remedy. Price 50 cents. Sold by H. H. Young, wholesale and retail agent for Newport, cor of Parade and Thames street.

GOLD NOT IN THE MINES.—Those who labor the hardest are generally the last to acquire riches. It is not the patient trader that acquires a fortune, but the bold chance forger who very often by saving five cent pieces, but they do frequently acquire wealth (or the means of speedily acquiring it) by arding a little in the hope of a great deal. If, instead of looking up their little all in building associations a while ago, a great many ambitious workers had invested a small portion of their savings in a well-regulated lottery, how much better off would they now be? We propose to let a grand lottery on the Havana plan, will be drawn in Baltimore on the 30th of next April. The State of Maryland sanctions and superintends this lottery, which is managed by R. France & Co., of Baltimore. The drawing will take place under the superintendence of the State lottery commissioner, which guarantees the integrity of all concerned. The scheme is undoubtedly the GREATEST and most MAGNIFICENT ever gotten up in the United States, on the Havana plan \$100,000 worth it. There is the prize of \$100,000 which it may be your good luck, dear reader, to secure at a cost of \$20 for a whole ticket, halves, quarters, and eighths in proportion. For 575 tickets, ranging from \$200, \$500, \$500, two of \$20,000, two of \$30,000, \$50,000, \$50,000, \$50,000, \$2,000, there being 100 prizes of \$1,000 each, and so on until they reach the amount of \$100, only 20,000 tickets have been issued. As we have before said, this being under State patronage, it is perfectly honorable and legal, and we do not see why it should not be as moral as a church fair, or an ordinary gift enterprise. Orders for tickets must be addressed to T. H. Hubbard & Co., No. 89 Fayette street, or Box No. 40, Baltimore, Maryland.

CANVASS.

THE BOARD OF ALDERMEN have ordered the voting lists, by them made out, to be posted up as follows:

FIFTH WARD.—In Clark H. Burdick's Shop, Thames street. In White's store, in Spring street, and the lists of the several wards in the City Clerk's Office.

The Board of Aldermen will meet at their Chamber in the City Hall, to canvass said lists, on Saturday, the 26th March, in order to correct and complete the several Ward lists for the Ward Meetings to be held on the first day of April next.

SWAN & CO., are authorized by the State of Georgia, and have sworn commissioners, and certify that everything connected with the same is done in a strictly honorable manner.—They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Swan & Co., are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. According to the scheme one ticket in every ten must draw a prize. Tickets are \$10; halves, \$5; quarters, \$2.50. No tickets sent unless the money accompanies the order. The drawings are upon the principle of one number on each ticket, and are so simple that no one can fail to understand them. There is no condition of numbers to satisfy the buyer. Prizes vary from \$10 to \$50,000; every prize being drawn, and result of drawing forwarded to all purchasers.

A list of the numbers that are drawn from the wheel, with the amount that each prize is entitled to, will be published after every drawing, in the following papers:—New Orleans Delta, Mobile Register, Charleston Standard, Nashville Democrat, Atlanta Intelligencer, and New York Herald & Tribune. Write your address plainly, and direct—S. SWAN & CO., ATLANTA, GEORGIA.

Prizes paid in full—no percentage deducted from prizes as in other lotteries. All communications strictly confidential.

In a short time restore the hair, which has become gray prematurely, to its original color—bring it out where it is gone, and arrest when it is falling off—cleanse the head of dandruff and itellings—remove all cutaneous eruptions, and render the scalp perfectly healthy, restoring the secretory organs to their normal vigor and strength, and thus supply nutriment and coloring matter to the roots. It does not dye the hair, but, in, in, in, a perfect Hair Invigorator and Tonic.

To the young, who so much admire the beautiful locks and ringlet, he feels that he will benefit if he offers the advice suggested by long study and extensive observation. It is the result of his own experience, and he can say for the hair, and keep always under a bottle of the Restorative for occasional use, and we can safely predict, that henceforth all our locks will be upon bald heads. Let the dark eye be ever so piercing, and the teeth be those of pearls—still, if the natural fluids be withheld from the hair, and in consequence becomes first dead and harsh, and then gray, or falls off, and will be robbed of half its charm. It is so true, that there is no certain remedy for those who are gray, as well as those who are bald, all must see the propriety of making only such application

both in a healthy state.
 From the editor of the Real Estate Advertiser No. 2 School Street.
 Boston, March 20, 1855.
 Prof. Wood—Dear Sir: Having become prematurely quite gray, I was induced some 6 or 8 weeks since, to make a trial of your Hair Restorative. I have used less than two bottles, but the gray hairs have disappeared; and although my hair has not fully attained its original color, yet the change is gradually going on, and I have great hopes that in a short time my hair will be as dark as formerly. I should also be indebted to you for the healthy moisture and vigor of the hair, which before was harsh and dry, and it has ceased to come out as formerly.
 Respectfully yours,
 D. C. M. RUPP.
 Milford, Worcester Co., Mass., Nov. 13th, 1855.
 Prof. C. J. Wood—Dear Sir—I take pleasure in hearing voluntary testimony of the curative effects of your wonderful Hair Restorative. As far back as 1856 my hair commenced

bold and smooth as glass, and it has continued to fall off for a great many years, notwithstanding I have used many celebrated preparations for its restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter surprise I found that after a few applications that my hair became naturally set and assured by very glossy and beautiful appearance; and at the time I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length, and growing very fast.

Yours, truly,
HENRY GOODRICH.
Caryle, Ill., June 27, 1856.

I have used Prof. O. J. Wood's Hair Restorative, and as I thought permanently gray, and that by the use of his Restorative, it has returned its original color, and I have no doubt permanently so.
